## HELPING DISABLED RIDERS

Special Announcement: The ANABD is ready to launch! We know what you're thinking, here we go with yet another acronym. Seriously, the acronym, ANABD, stands for American National Association for Bikers with a Disability. The ANABD will have their website (www.anabd.org) up and running in the upcoming weeks. So please keep checking the website, where you can learn about the ANABD's vision. You will also be able to fill out a membership application online, submit it, and follow up by mailing a check. We will be sending you an update once the site is launched.

## HOT SAUCE!!

Summer is almost here and the American Legion needs your help. They have added a coupon code on their site with the code being anabd (in all lowercase). This will allow our retail distributors to order cases of sauce for \$60.00/case and FREE shipping. This special is only available on cases and the code is only be available to our distributors. This allows you to buy it at \$5.00/bottle and sell it for \$6.00/bottle (profiting \$12.00/case). A lot of times retailers that are selling it at this price will donate the \$12.00 profit back to a Legion program----or our distributors can donate it to the ANABD.....or they might just want to keep it. The choice is theirs.

You may order online at : <http://www.h2hbbq.com/>
